

SW1110 / UV-185/5CZ UV Flame Detector

The SENSE-WARE UV Flame Detector utilizes a microprocessor for sophisticated electronic signal analysis. The ultraviolet flame detector is suitable for indoor and outdoor applications.

- Sensitive to virtually all fires
- Automatic sensor test
- Operating temp.: -40 to +70°C (in Safe Area's only)
- GRP housing
- Relay output for Alarm and Fault
- CPR-EN54-10 certified
- Tilbehør: 2401228 SM21 BRAKETT

Produktnavn	UV-185/5CZ UV Flame Detector
Produsent	Sense-Ware
Produkt serie	Brann
Artikkel	SW1110
