

CHQ-DZM-IS/SCI / ATEX classified dual zone monitor for ATEX classified detectors

An ATEX classified dual zone monitor for connecting ATEX classified detectors to an addressable line

- Complies with the ATEX classification II 1 G E Ex and II C T5 of ATEX Directives

SKU	8001695
Product series	Firescape

Technical data

Operating voltage (VDC)	17-41	Height (mm)	127
Operating current, normal (mA)	300.8007	Length (Depth) (mm)	35
Width (mm)	157	Net weight (kg)	0.367
