

SL-200QN / 60 m digital beam detector

- Outdoor coverage 60 m
- Four separate infrared beams
- Fully digital
- Easy alignment
- IP65
- Operating temperature -25°C... +60°C

SKU	8002514
Product series	SL

Technical data

Coverage	60 m beam	Operating temperature	-25 ... +60 C
	4 x active IR, digital	Width (mm)	79
Operating voltage (VDC)	10.5-30	Height (mm)	448
Operating current, normal (mA)	38	Length (Depth) (mm)	96
Operating current, max (mA)	40	Net weight (kg)	3
Ingress protection (IP)	IP65
