

FIRESCAPE-COMP/1A / Complete Firescape panel with 1 address line

The unique Prodex FIREscape multi-function panel is more intelligent, more powerful, and stylishly designed. A prime example of Finnish product development and manufacturing.

- The panel includes 1 integrated address line with 127 addresses
- The panel can be expanded with three addressable and/or conventional line cards
- The ready-to-use set includes a control panel, a fire safety plan box and a door with an opening. If you install the fire safety plan box separately, you need a solid door.
