

CHQ-DSC2/SCI / Addressable dual sounder controller

A loop-powered dual sounder controller

- One monitored input
- 2 monitored and configurable sounder outputs
- 2 independent outputs which can be configured as NC or NO
- Requires an auxiliary power supply
- Integral short circuit isolator

SKU	8003104
Product series	Firescape

Technical data

Outputs	2	Impact protection (IK)	N/A
Inputs	1	Mounting method	Wall mount
Max wire thickness (mm ²)	2.5	Width (mm)	127
Operating voltage (VDC)	17 – 41	Height (mm)	35
Operating current, normal (mA)	0.35	Length (Depth) (mm)	157
Operating current, max (mA)	8	Net weight (kg)	0.36
Ingress protection (IP)	IP65	Colour	Smoked
