

## VD-400 / Seismic detector

This detector can reliably protect concrete and steel structures such as firearm cabinets, safes and walls.

SKU 8005807  
Product series VD

### Technical data

	Seismic detector	<b>Width (mm)</b>	91
<b>Operating voltage (VDC)</b>	9-15	<b>Height (mm)</b>	23
<b>Operating current, normal (mA)</b>	9	<b>Length (Depth) (mm)</b>	31
<b>Operating current, max (mA)</b>	10	<b>Net weight (kg)</b>	0.049
<b>Operating temperature</b>	-20 ... +50 C
