

## N68-O-3/BLACK / Escape route luminaire with 3 h battery life

The N68-O-3 is an escape route luminaire for open areas with 3 h battery life

- N68-O-3 is an escape route luminaire for open area
- Use when Hi power- mode is needed
- Select when you need 3 h battery life

|                |                     |
|----------------|---------------------|
| Enclosure      | PC/ABS plastic      |
| SKU            | 8006343             |
| GTIN code      | 06418391001065      |
| Product series | FIREscape, Neptolux |

### Technical data

|                                |               |                         |                   |
|--------------------------------|---------------|-------------------------|-------------------|
| Lens type                      | Open area     | Ingress protection (IP) | IP21              |
| Battery capacity (mAh)         | 6000          | Impact protection (IK)  | N/A               |
| Battery type                   | NiMH          | Mounting method         | No tools required |
| Battery type                   | NiMH          | Installation            | Surface           |
| Operating temperature          | -25°C — +40°C | Width (mm)              | 100               |
| Operating voltage (VDC)        | 25 — 40       | Height (mm)             | 48                |
| Operating voltage (VAC)        | 25 — 40       | Length (Depth) (mm)     | 100               |
| Operating current, normal (mA) | 1.3           | Net weight (kg)         | 0.173             |
| Operating current, max (mA)    | 14.2          | Colour                  | Black             |
